Stanford University  
School of Medicine  
300 Pasteur Drive  
Palo Alto, California 94304

Dear Josh:

Thank you very much for sending me a copy of your recent column in the Washington Post. It is so gratifying to know that there are some enlightened citizens concerned with the future of our species.

With best regards,

*Steve Zamenhof*  
Stephen Zamenhof, Ph.D.  
Professor of Microbial Genetics
